# Additional Information About This Loan

## Loan Disclosures

### Assumption

- If you sell or transfer this property to another person, your lender
- will allow, under certain conditions, this person to assume this loan on the original terms.
  - will not allow assumption of this loan.

### Demand Feature

Your loan

- has a demand feature, which permits your lender to require early repayment of the loan. You should review your note for details.
- does not have a demand feature.

### Late Payment

If your payment is more than 15 days late, your lender will charge a late fee of 5% of the monthly principal and interest payment.

### Negative Amortization (Increase in Loan Amount)

Under your loan terms, you

- are scheduled to make monthly payments that do not pay all of the interest due that month. As a result, your loan amount will increase (negatively amortize), and your loan amount will likely become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.
- have the option of making monthly payments that do not pay all of the interest due that month. Increases in your loan amount lower the equity you have in this property.
- do not have a negative amortization feature.

### Partial Payment Policy

Your lender will

- accept payments that are less than the full amount due (partial payments). Partial payments will be applied:

\_\_\_\_\_

\_\_\_\_\_

- not accept partial payments.

If this loan is sold, your new lender may have a different policy.

### Security Interest

You are granting a security interest in 456 Avenue A, Anytown,  
TX 12345.

You may lose this property if you do not make your payments or satisfy other obligations for this loan.

### Escrow Account Information

**For now,** your loan

- will have an escrow account (also called an "impound" or "trust" account) to pay the property costs listed in Section G on page 2 for you. Your lender may be liable for penalties and interest for failing to make a payment. Without an escrow account, you would pay these costs directly, possibly in one or two large payments a year.

Year 1 Property Costs		
Initial Escrow Payment	\$2,793.50	The payment in Section G on page 2 is a cushion for the escrow account.
Monthly Escrow Payment	\$699.50	The amount included in your total monthly payment.
Escrowed Property Costs	\$8,394.00	Estimated total amount over year 1 for the costs listed in Section G on page 2.
Non-Escrowed Property Costs	\$1,711.08	Estimated total amount over year 1 for the non-escrowed property costs listed below. You may have other property costs.  HOA dues

- will not have an escrow because  you declined an account  your lender does not offer escrow accounts. You must directly pay your property costs, such as property taxes and homeowner's insurance.

Estimated Costs		
Year 1, Estimated Property Costs		Without an escrow account, you would pay these costs directly, possibly in one or two large payments a year.
Fee for No Escrow Account		

Contact your lender to ask whether your loan can have an escrow account.

### In the future,

Your property costs may change and, as a result, your escrow payment may change. You may be able to cancel your escrow account, but if you do, you must pay your property costs directly unless you create a new escrow account. If you fail to pay your property taxes, your state or local government may (1) impose fines and penalties or (2) place a tax lien on this property. If you fail to pay any of your property costs, your lender may

- add the amounts to your loan balance,
- add an escrow account to your loan, or
- require you to pay for property insurance that the lender buys on your behalf, which likely would be more expensive and provide fewer benefits than what you could buy on your own.
